Dear Sir,

**PREMISES ELIGIBLE FOR EXPORT TO THE CUSTOMS UNION**

I am writing with the results of the recent inspection of your premises for export to the Customs Union.

We have placed the above premises on the list of establishments audited for compliance with Russian Federation and Customs Union veterinary and sanitary requirements which we have sent to the Russian authorities.

Please note that, while your establishment has been recommended to Russia, we cannot guarantee that exports will take place successfully.

Yours faithfully

**CATHERINE HARROLD**
